WATER RESOURCES
WESTERN REGION

April 8, 2006

To whom it may concern:

For the water rights on the property owned by Robert Uhl family along the snake river below the Indian Cove bridge.

Description: Lot 9 of section 31 and government lots 5 and 6 of section 32, T5S, R8E, BM in Owyhee county Idaho.

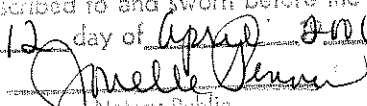

Approximate irrigated acres 27.5 on North side of highway 78. Area farmed is to current fence on west end approximately 200 feet from property line.

My father Marvin Wootan of Hammett Idaho leased this property from 1990 to January 1, 2006. This property was farmed and irrigated during portions of this lease. Approximate acreage is 27.5 acres. The crops raised were cereal grain and pasture grass. The beneficial use ground was irrigated with portable mainline with adjoining hand lines.

Sincerely,

Wesley R. Wootan
