

Notes

4/19/03 claimants filed the A.T. Claim
in 1990, claimed 200 head of stock
+ 4 horses. also claimed a POD on
Johnson ctk, with POU for Johnson ctk.
Tom Blotter amended the claim to more
QQ, more stock and additional POU & POD'S.
Post 1987, recommended as claimed
except the diversion rate was changed
for in-stream stockwatering of 0.02,
NOT to exceed 13,000 gpd. CB.

Have I.F. print the NOE. NO layout
needed CB.
