Claimants of Licensed Right 29-007173 (split portions: A/B)

Re: Request for proof of water right ownership

Dear Claimant:

In reference to the above described water right there have been two claims to portions thereof. At this point the water right for use of ground water for domestic purposes is over-claimed. To conduct an investigation and recommendation of the portions claimed, proof of water right ownership is required.

Please provide a copy of your deed or conveyance instrument to this office by April 19, 2002. **If such proof is not presented a disallowed recommendation could result.**

Thank you for your attention in this important matter. I look forward to your timely response. Please feel free to contact me at the above address/phone number.

Respectfully submitted,
