Subject: SRBA claims 29-07173 (A & B)

License 29-07173 was claimed as A (Slate Mountain Water Users Assn) and B (Caribou Acres Water Assn) portions.

In a discussion on 4/17/02 with Slate Mountain Water Users Association (Dean Perry) he stated that his evidence was that Slate Mtn Water Assn doesn't actually own a portion of this right. 29-07173A will be disallowed if it isn't withdrawn.

Caribou Acres Water Assn claimed the entire license under 29-07173B. This claim was renumbered to reflect license number.

29-07173B is no longer valid and 29-07173 is now the claim number for Caribou Acres Water Assn.
