RE. Subcase No. 29-13407

Dear Mr. & Ms. Casperson:

Enclosed, please find a Notice of Amended Claim to a Water Right Acquired Under State Law ("Notice of Amended Claim") and a Standard Form 4 Motion to File Amended Notice of Claim ("Standard form 4").

These documents will need to be filed with the SRBA Court if you wish to attempt to amend your claim in subcase no. 29-13407. The Standard Form 4 contains instructions describing how to fill out and file the form. Please note that since your subcase is being heard before a Special Master, you will need to serve copies on all of the parties to the subcase. The Special Master will determine whether or not you will be allowed to amend your claim. If all of the parties to the subcase agree to allow you to amend the claim, it may be helpful for you to state this in your motion.

The signed Notice of Amended Claim should be attached to the Standard Form 4 when it is filed and copies served upon the parties.

If you should have any questions or comments, please feel free to contact me at (208) 287-4815.

Very Truly Yours,

A handwritten signature in cursive script that reads "Ray Williams".
