Cindy,

This is my best guess at the city limits. I gocoed a line from the center of section 25 to the se corner of quarter swne. I used the Section center to begin my shape. I used the footage for the rectangle n the NENE but it didn't seem to fit with the .tif imagery. In fact, a lot of it didn't fit. Anyway, I used the drawing in the file as a guide to how the city limits should be.

This is saved under project 27-4128. Please mark how you want the drawing corrected. Thanks.
