

Shelley, Idaho, Sept 27, 1910

Special meeting held at usual place and hour. Present Chairman Cutler, Trustees Mallory, Mickelson, Hare, & Lundell. The purpose of coming together is, to take some action in relation to the water work system of this Village. The question was that the system at present in use is not sufficient and has no power enough.

Mr. N. C. Mickelson moved seconded by W. J. Mallory: That the waterworks committee be instructed to meet with Mr. Smith of the Fairbanks-Morse Company and arranged with him for the exchange of the 5 horse motor and pump now installed for a 10 horse motor and a pump of adequate capacity, one that will throw at least 100-150 gallons per minute. The said arrangement and exchange to be subject to the approval of the Board. This motion was carried by unanimous vote.

Marshall Mann spoke about the bad condition of the right away to Valley Hotel. He was instructed by the Board to repair it.

On motion meeting adjourned
