) **ORDER GRANTING UNITED STATES'
WITHDRAWAL OF CLAIM**

On May 28, 1999 the United States filed a Motion to Withdraw Notice of Claim and Director's Report Recommendation for Water Right No. 63-30978 without prejudice. The United States represents that this water right is not a *de minimus* water right as reported in the "Domestic and Stockwater" Director's Report for Basin 63. The United States will claim water right no. 63-30978 in the "Irrigation and Other" Director's Report for Basin 63 due to be issued in the year 2002. There were no objections to this motion.

Therefore, IT IS HEREBY ORDERED THAT the United States' Motion to Withdraw Notice of Claim for Water Right No. 63-30978 without prejudice is hereby granted and the claim is deemed withdrawn from the Domestic and Stockwater Director's Report for Basin 63.

IT IS SO ORDERED.
