E. **REASONS SUPPORTING OBJECTION(S):**

This recommended water right is a portion of a water right decreed for irrigation purposes at 1 miners inch (0.02 cfs) per acre. The recommendation for this water right describes the place of use of this water right to be lands served exclusively from the HOA irrigation system for irrigation purposes. This water right is required for the HOA to continue to provide irrigation water for the lands within the Lexington Hills Subdivision. This water right should be decreed to the HOA so the HOA can continue to provide irrigation water to the subdivision.
