9. ☐ **Place of Use**
Should be: _____
10. **I object because:**
 - ☒ This water right should not exist.
 - ☐ This water right was not recommended, but should be recommended with the elements described above.

E. **REASONS SUPPORTING OBJECTION(S):** To the extent that this water right authorizes the diversion of water from the Stewart Gulch Geothermal Aquifer it should not exist pursuant to *Silkey v. Tiegs*. Otherwise, the following provision should be listed under "Other Provisions Necessary for Definition or Administration of this Water Right:" The diversion and use of geothermal water is not authorized under this right. Also, the local name for the cold water well should be described. The total annual volume authorized to be diverted for all purposes under this right should be limited to an amount reasonable and historically used for the authorized purposes. The recommended annual diversion volume of 142.4 afa for "Commercial" purposes exceeds the volume that can be diverted using the maximum allowed diversion rate continuously year-round and is unreasonably large for the purposes authorized.
