RE: Notice of Change of Water Right Ownership (NCO) for 29-7279 and Notice of Completed Administrative Proceeding (NCAP)

Dear Mr. Andrews:

On July 3, 2003, the Idaho Department of Water Resources (IDWR) received an NCO changing the right holder for the above referenced water right(s). Based on this NCO, IDWR water right records for the Snake River Basin Adjudication (SRBA) have been updated.

Furthermore, as directed by the SRBA Court, this office mailed a copy of the updated water right record(s) to each party listed on the enclosed NCAP. The intent of this mailing is to ensure each party has a current record of water right(s) as recorded in the SRBA.

Please feel free to contact me if you have any questions concerning this matter.

Respectfully,

Jennifer Crabtree

Jennifer, this recommendation needs an NCAP for change of ownership. The data entry change was made sometime after July 3. Last time I looked at the claim file the paper work for the change was not in it. I believe the file is in your area or the X2.

Hi Ernie,

Well, when I ran the name index on July 3 at 11:07, Helen was the current owner. So, everything has been printed with her as the owner. It looks like the best solution will be to do an NCAP after report is filed to change the ownership from Helen to Clifford.

Hello Carter,

The contact names for the claim and both version 1 and 2 show **Helen Avis Radford Andrews** is the original owner and **Clifford Andrews** is the current owner. Unless the original owner is being printed on the recommendation there is not reason for Helen's name to show up.

Hi Ernie,

This is a confusing one. The recommendation printed Helen Avis Radford Andrews as the owner, but the mailing label has Clifford Andrews.
