Re: Snake River Basin Adjudication (SRBA)
Notices of Claims to a Water Right - #85-15520, 85-15530 and 85-15531

Dear Mr. Crea:

I noticed your priority date of January 10, 2005 is suspiciously close to the date the claims were signed (January 12, 2005). I suspect the first date of water use is much earlier in time.

You may wish to amend the claims to get your historic water rights decreed by the Court. There is no fee to amend your claims and they may be sent directly to us without notifying the Court.

I have enclosed a computer-generated copy of the claims referenced above. If you choose to amend these claims with an earlier priority date, please line through the priority date, write in the date water was first used and initial each change.

Also, please complete or provide the Place of Use element (Item 10) for 85-15520 and 85-15531. Have your signature notarized and return the claims to my attention.

Please call me at 208/287-4921 if you have any questions or concerns.

Sincerely,

Donald V. Shaff, MPA
Adjudication Bureau Chief
