Re: Jack Childress Water Right Claims
SRBA Claim Nos. 65-22967 and 65-22969
MTBR&F File No. 22-494.0

Dear Don:

The purpose of this correspondence is to let you know that our client and I have reviewed the preliminary recommendations for the above-referenced water rights and concur in the Department's recommendations regarding the same.

When we last spoke, you indicated that the director's reports for these water rights will likely be filed by the end of the April. Please let me know whether that time frame has changed in any regard. In the meantime, I appreciate your hard work and dedication in this and other matters.

Very truly yours,

Angela Schaer Kaufmann
