Re: Torgesen Ranch, Inc. - In stream stockwatering claims

Dear Ms. Bird:

We are enclosing with this letter two signed Notices of Claim to a Water Right together with our check in the amount of \$200.00 for the filing fee. We assume a \$50.00 fee each and a \$50.00 late fee for each. If that is incorrect, please let us know and we will be happy to correct any error.

All of this is in response to a letter you wrote us almost a year ago. Apparently we prepared the two new claim forms and sent them to our clients for signature, but the forms got lost in some piles and shifted around and were just rediscovered this month. In any event, the clients did finally sign, get an acknowledgment for their signature and return them to us. We apologize for the delay, but hope that something can still be done to finish this matter up. Thank you for your kind attention to this matter.

Yours very truly,

Kent W. Foster
