This had to be worth the wait and I do apologize for the time it took. For the 78 claims on your list, the only two that we look forward to seeing a recommendation in Basin 73 Preliminary/NOE are 73-4044 and 73-10221. All the others can be withdrawn. I need to look closer at 4044 and 10221, but I'm under the impression that any changes that may need to be made can be handled through the NOE. Is that correct?

Thanks for your patience. If you have any questions on this matter, please contact me.

Steve, Attached is a list of the claims we have on file in Basin 73 that have not been reported. Would you please check your records and let me know which of these claims should proceed?

Thanks!
