Dear Mr. Saxton:

Enclosed please find an affidavit regarding historic water use above the Cambridge Ditch Company's ditch on farmland located in SENW, SWNE, NESW, NWSE Sect. 32 15N2W and appurtenant to Water Right #s 67-00497, 67-00658, and 67-2213.

We apologize for the delay in getting this to you. Thank you for your time and consideration.

Sincerely,

Cameron C. Ertel
C.H.E. Enterprises, Inc.

I, Mike Summers, neighbor to the Ertels, grew up in Cambridge and helped my Dad farm land in the Cove area adjacent to what is now the Ertel (C.H.E. Enterprises) ranch. I remember when Mr. Mautner, former owner of that ranch, put in an irrigation system on Section 32, in 1981 or 1982. I helped Mr. Mautner move the irrigation lines while I was in high school, and I graduated in 1983. I don't remember the exact configuration of the system, but I do remember that land above the Cambridge Ditch Company's ditch was irrigated, and encompassed the land currently under the Ertel pivot.
