Case No. 39576

AFFIDAVIT OF DON W. GREEN

STATE OF IDAHO)
) ss.
County of Cassia)

Don W. Green, being first duly sworn, deposes and says:

1. That this affiant is an adult resident of Idaho and makes this Affidavit on his own personal knowledge, is competent to testify to the matters stated herein, and this Affidavit sets forth facts as would be admissible in evidence.

2. That I am the uncle of the present owner of Poulton Ranch, William (Bill) Arthur Poulton

3. That I first became aware of the ground in the southeast corner of the

3 property located at 1000 South 150 East in Cassia County in 1947.

4 4. That the property originally belonged to the Poulton Ranch, which was
5 owned by Thomas Arthur Poulton.

6 5. I became familiar with the property and the Poulton family in that year,
7 when Mr. Poulton began dating my sister. At that time, there was a little abandoned church
8 located there.

9 6. I helped Mr. Poulton with general ranch work on the Poulton Ranch and
10 am therefore familiar with its irrigation practices.

11 7. That the property was not irrigated in 1947 and that I have never seen that
12 ground irrigated.

13 8. Mr. Poulton gave the church representatives permission to build a church
14 on the property with the understanding that when the church abandoned or had no more use for it
15 the land would revert back to Mr. Poulton.

16 9. That when the church was there, there was no water or electricity on the
17 property; there was no lawn or vegetation to water.

18 10. That the land was eventually abandoned and when it was abandoned, Mr.
19 Poulton didn't re-fence the property back into his ground because the church parcel was in an out
20 of the way area. The property then sat vacant and was full of weeds and sagebrush.

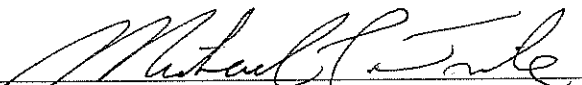

21 11. That Mr. Koyle subsequently went to the church leaders and talked them
22 into selling him the corner section the church stood on. That despite ownership remaining with
23 Mr. Poulton, Mr. Koyle purchased the ground from the church leadership.
