Subject: linking a b29 shape

hi,

Remember the other day we talked about a claim that overlapped the Bancroft city limits? Well it does and the city does not provide any water for the land. They can't even provide domestic water to this place. So, I've attached a new shape to include the additional acres. Please link it to 29-7394A.

Thanks,

d_wistisen pou.dbf d_wistisen pou.shp d_wistisen pou.shx
