Dear Mr. Saxton,

I have applied for a water license in Basin 29, the Portneuf River Drainage. My license number is 29-7552.

This land is the remainder of our family farm, after the Army Corps of Engineers straightened and rip-rapped the Portneuf in the 1960's. Part of it is land which belonged to my grandfather in the early 1900's. The rest, my father bought and farmed until his death.

In 1990, after irrigating, I cut and baled enough hay to give to my brother. During 1992, I cut and put up my hay loose. Currently, I use the land as irrigated horse pasture.

Sincerely,

Geraldine Grady
