

Memorandum

Date: July 18, 2001

From: Craig L. Saxton

Subject: 29-07552 and 29-07628

Both Rights licensed April 11, 1984. I spoke with Geraldine on the phone on 7/2/01 and told her I needed a statement telling me the last time the entire pasture was irrigated using groundwater and Portneuf water. She said that she cut hay in the early 90's and I told her that I would accept that as evidence of irrigation. On July 10, 2001 I received a statement from Geraldine Grady stating she cut hay in 1990 and 1992.
