To Whom It May Concern:

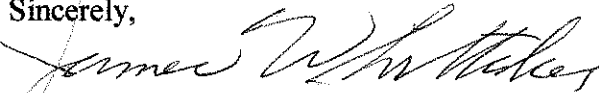

Enclosed you will find our formal objections to our water rights as presently filed.

We thought the idea of this adjudication was to have the water appropriated as it had been used prior to 1987. We sent all the documentation required for their approval.

Please note, attached to sub-case 74-15080 is the letter dated September 3, 1982, and signed by Glen Saxton, verifying early season use and high water use among other issues we are concerned about.

Thank you.

Sincerely,

A handwritten signature in cursive script, appearing to read "James Whittaker", written over a circular scribble.
