To Whom It May Concern:

I request a refund of fees paid in behalf of Smith Rd. Water User's Association. I was told specifically by two separate individuals at the Idaho Falls Office that we were required to file the claim even though we already had a recent permit. I have recently sent proof of beneficial use and the fees required for it.

Thank you very much.

Sincerely,

Laura (Ally) Yeates

RE: Snake River Basin Adjudication - Bannock County

Dear Claimant:

We are returning your Notice of Claim to a Water Right filed for your property in Bannock County. We have noted some problems with your claim which we would like you to correct.

You are given the opportunity to withdraw this claim. Any water right developed from a groundwater source after March 25, 1963, for any use other than single family domestic use, is required to have an application for permit filed. Please see Permit #29-07854, a claim is not required on a permit.

Should you wish to pursue before the court the exact water right you have presented on this claim, simply return the claim form to this office. The claim form should be delivered to our office or postmarked by July 13, 1990, otherwise we will assume you wish to withdraw the claim. If you do not wish to file your Notice of Claim, please complete the enclosed Request For Withdrawal Of Claim and return it to the address shown. Your request for refund will be processed as quickly as possible.

Please provide the information for Item #11, Place of Use in Counties.

If you have any further questions or require further help, please do not hesitate to contact this office.

Yours Truly,

John D. Carlson
Adjudication Supervisor
