Re: Fernando and Irene Gonzales
Water Right Nos. 29-7984 and 29-7238

Dear Mr. Carlsen:

Please find enclosed Notice of Error Replies for the water rights identified above. The Gonzales are investigating the chain of title to their land to determine whether they may be entitled to an earlier priority date. The Gonzales believe that their land is Indian allotment land and that they are the first non-Indians to own it.

In your absence last week, I spoke with Candice McHugh in Boise who was very helpful in explaining the process and requirements to get an earlier priority date. She indicated that supporting documentation does not need to be submitted with the Notice of Error Reply. The Gonzales will, however, get that documentation to you as soon as possible.

Please accept this letter as notification that our office represents the Gonzales and would like to receive a copy of any notice or correspondence sent by IDWR to them.

Sincerely,

JAMES P. PRICE
