Dear Cindy Bird:

Civil Case number 39576 also
29-7155 Wallaby divided property.

I have found additional papers
I hope will help. Highways patent
including Claude Creek etc.

Malvern Wallace sent a letter
regarding water use.
We had Clyde Twitchel mortgage his
letter.

I helped my Dad improve the
ditch we used on my piece of
ground just after he got the ranch
I sold the ditch to keep it in
the ground behind the tractor.

M. S. Wallaby →

I know Mom & Dad farmed
this piece of ground from the
time they got the ranch before it
was sold to Wallaby and Dad.

Highys used the water from Church Creek to water the meadows and the area around the hill.

They raised a little hay and pasture with it. The first year I remember siding up there was in 1917. I was just a kid.

I started siding for myself in 1927 and continued siding in that area until ~~1933~~ or ^{ten} years ago.

The waterwheel was located in the same location as the bridge is now. They used the water in the river with the waterwheel.

I'm 95 years old now.
