Re: Correct Address

Dear Water Users:

We are beginning the review and recommendation of claims to water rights in Basin 29. We sent you the enclosed letter to invite you to an informational meeting, but many of our addresses are no longer correct. Your letter was returned to us by the post office. I called the phone number on our computer database, and the lady referred me to the Mannings. Mrs. Manning called with the address above. I appreciate her help very much.

In state government, sometimes we have to work with silly regulations. Even though I now have your address, I need to you fill out the enclosed Notice of Change of Address so that I can "officially" update the computer database. This will allow future mailings to be sent to the correct location.

Please contact me if you have questions about this, or about the process of reviewing and recommending adjudication claims. I am difficult to catch up to, but I will return voice-mail messages eventually.

Sincerely,

Bryce A. Contor
Senior Water Resource Agent
