

12 January 2005

Cindy,

We received a fax from the Tribe but it was not legible. Kathy from the Tribal Utilities (478-3996) called on January 6. I returned her call on 1/12 and we discussed the fax. She said just use the Adjudication Claimed Service Boundary and not the section identified as Service Boundary. Because when they took over, they took over the entire service boundary.

Please check to see if we have any spatial information or maybe a TOPO that shows the city limits of Ft. Hall. If not lets use the Claimed boundary

Then we will need to add the CO5
