29-02044E

BARBARA SMITH

10/25/01 Visited w/ Ms. Smith. Discussed New Boundary
AND claim from Two Mile Cr (still a Permit). It is,
Two Mile Cr, tributary to Lewis - Goodenough Ditch.
(Ms. Smith also claims to own shares in this ditch
but don't know of a water right no. 29-02044E)

AFTER THE TRIBUTARY (POO) TO L-GD she REDIVERTS
ABOUT 100 yds[±] DOWN DITCH. Apparently, this is OK
WITH DITCH CO. She uses a small pump. Claims
9th ac irrig - Don't think it'll go that much.

29-02044E - I REQUESTED EVIDENCE THAT SHE DOES
IN-FACT OWN THE PORTION BECAUSE CD Goodenough
Claims ALL 20 cfs OF 29-02044A (NO RECORDS SPLIT).

ALSO, REQUESTED PLAT OR SURVEY OF PROPERTY AND
A CO w/ CC OF DIVORCE DECREE (TO REMOVS J. BURGESS
FROM CLAIMS). AND (AS ABOVE) EVIDENCE OF OWNERSHIP OF
29-02044E @ 0.18 cfs
