

Notes

6/10/04 This right needs to be split. Ruston Allen purchased the land in S $\frac{1}{2}$ of Sec 24, Sec 35 and Sec 2 in T8S, R43E, CB.

7/1/04 Recommend for Roland Allen S+L, instream stock only, split from 27-4156. No irrigation found under that right. That is being disallowed. CB.

11/15/05 Keith Hunnaker called because the Director's report was filed as Roland Allen.

P/u file from Dave Grindle.

11/16/05 Sent Don Staff an email explaining that the file shows no indication that this should be different.

A query search ~~and~~ shows the claim & recommendation in Roland Allen?

Notes

3/12/04 Keith & Carol Hunsicker came in to discuss the rights. Original Statutory claim was filed for irrigation only, with 1931 priority date. When did it change? Need evidence of priority. CB

3/19/04 Verify address with Keith Hunsicker & he's going to look for evidence of the priority for stock.

The statutory claim was filed overlapping the decreed rights. This right has always been used for stock but wasn't filed on before CB

6/10/04 Claim was amended in 1995 for stockwater only. Irrigation wasn't claimed as originally filed for under the statutory claim.

Dave Carlson amended the claim. Kent Allen was in my office going over water rights because they purchased this place from Roland Allen. Her Preston Allen LLC now owns the some of the property under this right.
