RE: SRBA Claim No. 27-10185

Dear Mr. Clayson:

I am the Deputy Attorney General assigned to represent the Idaho Department of Water Resources in Basin 27 in the Snake River Basin Adjudication.

The Department of Water Resources has previously contacted you regarding the need for priority evidence for your SRBA claim no. 27-10185. However, the Department has not received the information requested. I have enclosed a brochure that discusses the type of evidence that can be helpful in proving the priority date for a water right claim.

In order to make a complete and accurate recommendation of your water rights, each element of the water right must be proven. At this time, the Department will not be recommending your water rights as claimed because you have not provided proof of priority for your claim.

Please contact Cindy Bird at the Soda Springs Office for the Idaho Department of Water Resources at 208-547-3993 or you can contact me directly at 208-327-5404.

Very truly yours,

CANDICE M. McHUGH
Deputy Attorney General
Idaho Department of Water Resources
