RE: Water Right No. 63-31076

To Whom It May Concern:

My name is Naecarma Foster. I am the daughter of Kenneth Paul and Mary Anna Slawson. The folks bought this place in 1960. They moved the little house that was out by the road to the back of the lot for my grandparents to live in.

Before long they built a house for themselves. They did not have a well yet, so they dug a hole down at the spring and put a pump in it for the house. Later they had a well dug.

Around 1965 they scooped out a pond a little farther south in the spring. They also put a pump in that spring to water the garden and lawns. They were still using that water when they died. My brother, Edgar Berwyn Slawson got that piece of property and sold it to Mike Matteson's mother (Wanda Matteson).

Mike has been using it ever since.

Sincerely,

Naecarma Foster
