Re: Evidence of Priority Date for Water Right Number 63-31627
(Adjudication Claim Report 63-31627)

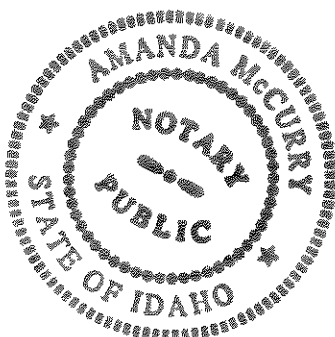

During 1961 I constructed a pumping station on the Snake River which, since the spring of 1962, has provided water to the Dry Lake area west of Melba, Idaho. I have enclosed a copy of IDWR water right number 2-2160A.

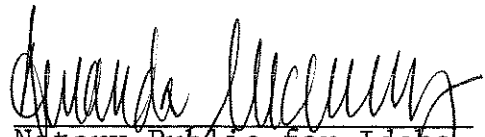

In May and June of 1962 I moved in an existing home onto a new foundation, built a farm shop and drilled a domestic well. Later that summer, I built a potato cellar and brought in another home and put it on a new foundation. Three mobile homes were set and a small feedlot north of the potato cellar was also added during that summer.

Sincerely,

Allen Noble
