

Notes

4/22/05. This is conveyed thru Blackfoot Slough,

allowed the 25 inches because the Stevens Decree is not specific on an 1" per acre. They will suffer conveyance loss thru the ditch because of the distance it is conveyed.

Blackfoot Irrigation Co. is also recommended over the POA. but no reference to having any shares in the irrigation Company so it didn't add any remarks to reference it.

This comes from the W/R 27-4/00.

Please print NOE. CB.
