To Whom It May Concern:

This letter is to clarify the beneficial use of Water Right Number: 63-21064. I, Maurice Clements, can personally verify that the well was in operation providing irrigation water on the ground described in Adjudication Claim Report 63-21064. A 1955 establishment date is accurate. In 1955, the property was owned by Elmer Tiegs, or one of his companies. 1955 was the same year I married Elmer's daughter, Barbara Tiegs. I was farming on my own in 1956 and through my college career, was very interested in my Father-in-Law's business. Barbara and I are no longer married and the well is owned by her company BMK Inc.

Sincerely,

Maurice Clements
President, Dry Lake Farms, Inc.
