RE: Notice of Claim to a Water Right 3-10236
Security Interest for Claim 3-4017

Dear Claimant:

This letter is to inform you that the ownership change submitted by Peter and Karen Ciraulo has been processed for claims 3-4017 and 3-10218. These claims were previously in your name.

In previous conversations, you indicated that you might have a security interest in this water right. The policy for a security interest is outlined in Idaho Code 42-248 (6). A copy has been included for your reference. In order for you to receive information about these water rights you must submit evidence of the security interest including the expiration date. If you have a security interest in the property and would like to receive information pertaining to these water rights, fill out the enclosed form and return it with the required information and a fee of \$25 per right. The two claims that may be of interest to you are 3-4017 and 3-10237. Claim 3-10237 is a split from claim 3-10218.

In addition, as a result of selling a portion of your property and water rights to Peter and Karen Ciraulo, the identification number to your water right has been changed from 3-10218 to 3-10236.

Please use the new number in future inquiries or correspondence you may have with our Department. Enclosed is a copy of your water right. Please retain this copy for your file.

Please call our office at 1/800-451-4129 if you have any questions or concerns. You may reach me directly at (208) 287-4918.

Sincerely,

Jennifer Dean, EIT
