5/18/04 1:30pm Apt with Latay Chandler & Marla Woodhouse on claims 27-7377 & 27-7376.

The legal description under 27-7376 is correct and is known as the Walpole property.

This property is owned by Latay Chandler. Ross passed away October 13, 2000.

27-7377 is incorrect. The warranty deed from Marla Woodhouse is in the SWSW of Sec 2, NOT the NWSE as licensed.

From earlier conversations with Marla there was an error under this right because her sister (Shawna Womack) purchased the other 11 acres under this property and she irrigates it with the well. Total of 12 acres.

Mrs. Chandler's warranty deed dated 1968 conveyed Snake River irrigation water.

Mrs. Chandler was under the impression that there was an error on the original paperwork and they had the entire place irrigated.

After checking the license I could see that Marla's warranty deed and the legal under the license are incorrect.

The examiner's report showed the Pool in

5-18-04 cont'd.

Notes

SWSW but it wasn't picked up as being incorrect.

I couldn't find a new application or any other water rights for DeRay Wornack so I called Ruth Wilson at the region.

When the Chandler's submitted proof they claimed irrigation of 10.2 acres but the permit was only for 1 acre.

Ross Chandler accompanied the examiners and said each home (2) irrigates $\frac{1}{2}$ acre and that the pasture was irrigated by Snake River water.

In Oct. 2001, the well driller filed a drilling report for DeRay Wornack for a domestic well only.

I explained to DeRay & Marla that DeRay CAN'T IRRIGATE ANYMORE than $\frac{1}{2}$ acre with his well. If he does then he is in violation and can be fined.

Then Marla said, "that is all they are doing"

I told Marla that her sister needs to file an ownership change to split one home off this right. Because Marla got one home, DeRay, & Shawna got the other home.

I'm going to have Skip verify this info. ¹ CB

Notes

8/6/03. Adjust the claimed POH to 1 acre of land. Otherwise, the claim matches the 1986 license.
