RE: New Snake River Basin Adjudication (SRBA) claim 67-14727

Dear Mr. Kirby,

Per our conversation today, I am sending you a completed claim for your review. There are a couple of things to note.

- 1) The acreage I put on the claim is the acreage that I found using GIS. This is shown on the map accompanying the claim
- 2) The diversion rate I put on the claim is the same amount that is shown to be delivered to you on the water master records.

This is your claim and you can claim whatever you want. So look over the claim and initial any changes you wish to make. When satisfied, sign the claim in front of a notary and return it to me **ASAP** with the filing fee of \$56.00.

Fee breakdown is \$50.00 per claim, and \$1 per acre.

Please feel free to contact me if you have any questions.

Respectfully submitted,

Craig L. Saxton
