2. Since the SWNE & NESW, S11 contain both private and public lands, please insert the following language under place of use to clarify this POU such that only private land is intended. The SWNE lies outside the irrigation boundary, perhaps this is a typographical error?

"The place of use does not include federal public lands."

21-02109A, 21-02109B, 21-10023
T05N R38E

Non-objection talking points:

Since the SWNE 6.0 acres appears to be a typographical error, perhaps the acres need to be described as:

1. SENW (the part that is not Lot 3 (SENE)) is about 2.2 acres and since it is inside the irrigation boundary but has no Place of Use listed?
2. NWSE is about 0.2 acres and since it is inside the irrigation boundary but has no Place of Use listed?
3. SWSE (the part that is not Lot 7 (SWSE)) is about 3.4 acres and since it is inside the irrigation boundary but has no Place of Use listed?

**the acres of these three POUs that are not listed in the recommendation add up to about 6.0 acres

If the SENW, NWSE, and SWSE, S11 are included in the recommendation, then "The place of use does not include federal public lands" would need to be applied to those places of use since the ¼ ¼ descriptions contain both private and public land.
