Subject: Additional 22 acres of irrigation.

Dear Mr. Larsen;

I've been reviewing the information you sent to me before Thanksgiving. I feel that the evidence you submitted would support an irrigation claim for the 22 acres with a 4/1/1899 priority date. I don't feel that the priority date of July 18, 1886 under 27-11188 supports that much irrigation but the later date does. The documents support the domestic and irrigation of 3 acres with the 1886 date and the 22 acres needs a new claim filed with the later priority date. I've included a notice of claim for your convenience to file. The fee would be a flat \$50.00 filing fee and \$1.00 per acre of 19 acres or a total of \$69.00. It's only 19 acres because the other three acres was paid for under 27-11188.

Please fill out and return the enclosed form to our Idaho Falls office at 900 N. Skyline Dr., suite A, Idaho Falls, 83402-1718 as soon as possible so your claims can be processed. If you have any additional questions please feel free to contact me at the office, 547-3993. Happy Holidays.

Respectfully,

Cindy E. Bird
