RE: Water Right Claim Returned

Dear Mr. and Mrs. Loveland:

The Idaho Department of Water Resources (IDWR) is returning your check #005624 (\$255.00) and Notices of Claim to a Water Right because of insufficient information. All items on the claim forms must be correctly completed and fees submitted before the IDWR can process the claims.

Please correct the items identified below and return the forms to the IDWR within 30 days of the date of this letter. Failure to return the corrected claim within the 30-day period may result in an assessment of an additional \$50.00 late-fee for each claim.

Irrigation Claim

- Please refer to the Xerox copy of of your originally submitted irrigation claim. I have made the necessary corrections (in red ink) from the information on License 27-7069 (copy enclosed). If the corrections are accurate, please complete a new form with the corrected information.

Domestic/Stockwater Claim

- You may only file for two houses on the same Notice of Claim if: 1) Both houses were connected to the well at the same time (priority date) before March 25, 1963; and 2) Both houses are owned by the claimants. Otherwise, you must complete a separate Notice of Claim for each house.
- The "short form" (green ink) is only for domestic and/or stockwater purposes where daily use is less than 13,000 gallons per day. The maximum amount of stock that can be watered with this amount is 1,000 head of cattle. If you are claiming a water right for 2,000 cattle from the well, you must complete the "long form" (black ink) instead of the green form.

MICROFILMED

NOV 13 1992

- The priority date (Item #2) must be completed. If you do not know the date of first use, you must estimate the day, month, and year.
- The purposes, dates, and amounts (Items #6 and #7) must be listed. Please refer to the enclosed instruction booklet.

I have enclosed extra Notice of Claim forms for you to complete. Please complete the appropriate claims and return them to the IDWR within 30 days.

The filing fee for the irrigation Notice of Claim is \$50.00, plus \$1.00 per irrigated acre listed in Item #10. If you are using a "long form" to claim a water right for your house and 2,000 head of cattle, the filing fee is \$50.00, plus \$100.00 per cfs claimed for stockwater. The filing fee for each "short form" submitted for your domestic/stockwater uses is \$25.00.

If you have any questions, please call Tony Olenichak, Water Rights Agent, at (208)-525-7161.

Sincerely,

Tony Olenichak

RE: Water Right Claim Returned

Dear Mr. and Mrs. Loveland:

The Idaho Department of Water Resources (IDWR) is returning your check #5683 (\$271.00) and Notices of Claim to a Water Right because of insufficient information and/or fees (Domestic/Stock claim). All items on the claim forms must be correctly completed and fees submitted before the IDWR can process the claims.

Please correct the items identified below and return the forms to the IDWR within 30 days of the date of this letter. Failure to return the corrected claims within the 30-day period may result in an assessment of an additional \$50.00 late-fee for each claim.

- The amounts claimed for each purpose (Item #6) must be separated on the domestic/stock claim.
- The filing fee for a Domestic/Stock claim with more than 1000 cattle is \$50.00 plus \$100.00 per cfs claimed for stockwater purposes.

I have typed a Notice of Claim for your domestic and stockwater purposes, and have applied the IDWR amount guidelines for 2 houses and 2,000 cattle. Please sign the typed claim in Item #16 if correct, and return it to the IDWR with your handwritten irrigation claim and appropriate fees. Your signature(s) must be notarized.

The total filing fee for both the irrigation claim and the domestic/stock claim is \$315.00. If you have any questions, please call Tony Olenichak, Water Rights Agent, at (208)-525-7161.

Sincerely,

Tony Olenichak
