Re: The Salisbury Corporation – Objections to the Director's Report
With Respect to Water Rights 21-76A, 21-133A, 21-36A and
21-77A

Dear Clerk:

You will see that I have enclosed two Standard Form Objections on behalf of this firm's client, The Salisbury Corporation. Each Objection deals with two water rights for the reason that the local office of the IDWR has recommended a consolidation of these rights. I point out for your information what will be apparent from the Objections themselves, and that is that the recommendations of the IDWR are the basis for the objections.

Thank you for your assistance in filing the enclosed Objections.

Very truly yours,

C. Timothy Hopkins
