RE: OWNERSHIP CHANGE FOR 27-11915, 27-11916

Dear Mr. Pearson & Mr. Torgesen:

Last week our office mailed you copies of your new stock water claims. I forgot to include a letter explaining why I changed the legal descriptions you filled out on the form. I compared the hand-drawn map you submitted with a 1:24,000 BLM map of the same property. Since they were the same, I used the legal descriptions from these maps, rather than from the claim. I believe this method accurately describes your property and the streams you use to water your stock.

Sincerely,

A handwritten signature in cursive script that reads "Jennifer Crabtree".
