Ref: Snake River Basin Adjudication (SRBA)
A27-11344

Subject: In stream Stock watering.

RESPONSE DATE: JULY 15, 2004

Dear Claimant(s):

IDWR is in the process of reviewing your claim in the Adjudication process. During this review process some errors on your claim has been noted. The water is claimed as in stream stock watering but no beginning or ending points of are listed. It is required to have beginning and ending points of diversion for in stream stock watering. The sources must be listed separately with beginning and ending points of diversion.

I recommend you call my office and make an appointment to amend this claim and possible file some additional claims to water for the additional sources. This office must receive your response by the above response date. If not response is received, then your claim to water in the SRBA will be recommended to the Court as "DISALLOWED".

Respectfully,

Cindy Bird
Adjudication Bureau
