Re: Water Rights
A79-13962 &
79-7263

To Whom it may Concern;
Please find enclosed map and notes as of the existence of the irrigation ditchway, from Section 8 to Section 5, as surveyed in 1902 by Albert Oliver, Contract # 228 of December 26, 1901. Also note the prominence of the roadway that terminates at the homestead in Section 5 that is still in evidence today.

As discussed, this qualifies under the Act of July 26, 1866; The Ditch Act; The Historic Preservation Act; and the Quiet Title Act, etc.

Pursuant to the above,
we request that protests to
our Water Right applications
be waived.

Sincerely,
James Bonato
