I Kim C Cox of 631 N 1100 W
Name Address
Blackfoot, Idaho 83221, being first duly sworn deposes and says:

That on or about the following months and years, I was aware of water flowing in the canal known as the Augustine Ditch which flows from the Danskin Canal during the months of December and January in the year 1952 and 1953. The ditch had iced over and I played on the ice, I being 4 and 5 years old at the time. There was a cattle ranch downstream from us at the time where the canal ended. The name of the owner was Augustine. I don't recall his first name.

The quantity of water in the canal at my best estimation was 500 inches.

Dated this 29 day of December 2005.
