RE: Notice of Error on 27-10505

Dear Edward:

Enclosed for your review is a new Preliminary Director's Report for claim 27-10505. This new report is based on a modification to the shape of the irrigated place of use per our discussions and my work with ArcView. Changes from the original Preliminary Director's Report are identified by underline/overstrike.

Naturally if there are questions concerning this new Preliminary Director's Report feel free to call me at the above phone number.

A copy of this information is being forwarded to the Soda Springs office to be included in the claim file.

Respectfully yours,
