RE: Snake River Basin Adjudication claims 37-4323 and 37-4325

Dear Mr. Anders:

Enclosed please find two affidavits to be filed with the respective claims. All of the family knows the land was irrigated with this water for years prior to 1945, but it is all hearsay and just knowledge passed down through the family. As the deeds show there were water rights with the premises at an earlier date.

In any event Ann and the rest will attempt to provide you with further information if it is available.

Respectfully,

Severt Swenson, Jr.
