Dear Mr. Carlson:

You have notified the Conant Creek Canal Company of the recommendations the Department intends to give to the Court, and you have asked for any comments and to execute and return to you any notices of error.

I have been asked to help the officers and directors comply with your request, and I have had two meetings with them, but we need some additional time, as much as 30 days, if possible.

Would you please advise **by a written response**. We will do our best to furnish some additional information, because we do believe there are some additional corrections to be made.

Sincerely,

Ray W. Rigby
