In Re SRBA

)

On December 30, 2005, this Court entered an *Order Granting Motion to File Amended Notice of Claim* for the above-captioned water right claim. On March 10, 2006, the claimant, United States of America acting through the United States Department of Interior Fish and Wildlife Service, filed a *Motion to File Second Amended Notice of Claim* to amend the basis of the claim from "beneficial use" to "posted notice". On May 4, 2006, the Idaho Department of Water Resources filed an *Amended Director's Report* which recommended the basis of use as "posted notice". On June 20, 2006, a hearing was held on the *Motion to File Second Amended Notice of Claim*. No party appeared in opposition to the *Motion*.

Therefore, for good cause shown, the *Motion to File Second Amended Notice of Claim* is **granted**. Because the director's recommendation was already reported with the basis of the claim as "posted notice", no further amended director's report is necessary. The amended claim shall proceed in accordance with the objection and response deadlines included in the *Director's Report for Late and Miscellaneous Claims* filed May 4, 2006.

DATED JUNE 22, 2006.

JOHN M. MELANSON
Presiding Judge
Snake River Basin Adjudication
