RE: Subcase No. 23-11221 (*Sunnydell Irrigation District*)

Dear Judge Melanson:

The *Order of Partial Decree for Irrigation Delivery Entity Using Digital Boundary Description*; I.C. §§ 42-202B(2), 42-219(2), 52-1411(2)(h) was issued by the SRBA Court on February 4, 2005. IDWR has discovered that the standard form 5 and the partial decree contains a clerical error in the digital boundary.

Water right nos. 01-46, 01-83A, 01-115A, 01-195A, 01-10013, 01-10497, 1-10498, 01-10499, and 22-13269 are overlapping water rights with water right 23-11221, and will be reported to the SRBA in the Director's Reports for Basin 01 Part 2 and Basin 22, Part 2 respectively. In order for the digital boundary to accurately describe Sunnydell Irrigation District's place of use, all its water rights should have the same digital boundary. A revised digital boundary is included herewith for 23-11221 that reflects the correct place of use for Sunnydell Irrigation District. Also attached for your information is a map depicting the correct place of use.

I have informed Sunnydell Irrigation District of the clerical error. I am also sending them a copy of this correspondence.

If you should have any questions, please feel free to contact me at 287-4810.

Very Truly Yours,

Candice M. McHugh
Deputy Attorney General
