INSTRUCTIONS

This form is used to file a late Notice of Claim or an amendment to a Notice of Claim in a reporting area where the Director's Report has been filed. Forms may be obtained from the SRBA Court, the Idaho Department of Water Resources (IDWR), or you may copy or reproduce this blank form. If you copy or reproduce this form, please copy on both sides with the even-number pages upside down.

The water right number for your late or amended claim must be indicated above in the blank space following "Subcase." You must use a **separate form for each** late or amended Notice of Claim.

MOTION TO FILE A LATE NOTICE OF CLAIM

A Motion to File a Late Notice of Claim will require a hearing before the Presiding Judge.

☒ I did not file a Notice of claim to the use of water in the SRBA because:

We previously understodd this issue to be resolved. However, the matter is presently before the Supreme Court of the State of Idaho. The District Court has ruled that the United States holds nominal legal title to the water rights and the irrigation district holds equitable title in trust for its landowners.

☐ I filed a Notice of Claim and elected to defer judicial proceedings on my domestic or stock watering use. I desire to reinstate my Notice of Claim for domestic or stock watering use.

☒ I am providing legal and factual documentation for my claimed use of water. You must describe these documents and attach a readable copy. (You do not need to fill this out if you are reinstating a Notice of Claim for domestic or stock watering use, but you **must** attach a copy of your Notice of Claim.)

An affidavit of Jeff Raybould, Chairman of Fremont-Madison Irrigation District.

I have attached:

- ☒ A fully completed Notice of Claim (available from IDWR).
- ☐ A claim filing fee for a domestic and stock watering use. IDWR may charge this fee pursuant to I.C. § 42-1414. To determine this amount, contact IDWR at (800) 451-4129. I have enclosed a check payable to: State of Idaho Department of Water Resources in the amount of \$ _____.
- ☒ A claim filing fee and a late claim fee for those claims other than a domestic or stock watering use for which a notice of claim was not filed. To determine this amount, contact IDWR at (800) 451-4129. I have enclosed a check payable to: State of Idaho Department of Water Resources in the amount of \$ 100.00.

Case No. 39576	)	AFFIDAVIT OF JEFF RAYBOULD
	)	
_____	)	

STATE OF IDAHO)
 ss.
County of Madison)

Jeff Raybould, having been duly sworn, states under oath as follows:

1. I am a resident of Fremont County, Idaho and reside at 301 N 1500 E St.

Anthony, ID 83445.

2. I am the Chairman of Fremont Madison Irrigation District.

3. Fremont Madison Irrigation District wishes to file a late competing claim on
water right number 21-120, which has also been claimed by the United States Bureau of
Reclamation.

4. Fremont Madison Irrigation Districts' basis of claim for water right no. 21-120 is a decree from 12/16/1910. While the water claimed is held in a Bureau of Reclamation facility, (Island Park Reservoir), the members of Fremont Madison Irrigation District have put this water to beneficial use through irrigation since 1901. This right includes an accomplished transfer from natural flow to storage water.

5. We are late in filing this claim because we previously understood this issue to be resolved. However, the matter is presently before the Supreme Court of the State of Idaho. The District Court has ruled that the United States holds nominal legal title to the water rights and the irrigation district holds equitable title in trust for its landowners.

6. All uses described in the Claim were instituted prior to 1987.

Dated this 27th day of June, 2006.

14. Remarks:

This water right was transferred and the Snake River Watermaster consistently delivered these natural flow rights as storage from 1942 through 1977 as described in this note from the 1943 Watermaster's Report: "The Sheridan Creek decree is a natural flow right that was originally appurtenant to lands now flooded by Island Park Reservoir. It was transferred to the lands within the Fremont-Madison Irrigation District but it is more convenient to include it as a storage right rather than to make some arbitrary distribution of it as a natural flow right among the District canals." This water should be recognized as an accomplished transfer of natural flow to the canal companies within Fremont-Madison or as an accomplished transfer of storage to Fremont-Madison.
